VOLUSIA/FLAGLER DENTAL ASSOCIATION
EXECUTIVE BOARD MEETING MINUTES

The Volusia-Flagler County Dental Association Executive Committee convened at Houligan's, Destination Daytona, on US1 in Ormond Beach on July 20, 2012 at 6:15pm.

Attendees:

Dr. David Lloyd	Dr. Erik Olson	Dr. Robert Borer
Dr. Oscar Morejon	Dr. Scott Lawson	Dr. Rod MacIntyre
Erin Anderson		

Dr. Olson discussed the following items:

- The required Continuing Education credit course due for this biennium licensure period is Medical Errors and Domestic Violence. The committee was considering taking these courses on-line rather than having a formal meeting. The costs would be less expensive and can be done at the Dr's leisure. We will ask our members at our October meeting for input, some members may see it as an Association benefit.
- Entertaining the thought of having another physician speak at our regular meeting. Members gave great feedback with Dr. Joe Mirante and his topic on Functional Endoscopic Sinus Surgery.
- Dr. Morejon suggested that member Dr's go directly to non-member offices with new member packets and inviting them to lunch to go over the benefits of our Association.
- Dr. Borer went over our current month's Treasurer's Report. Erin to send Dr. Borer past month's reports for balance comparison. Upon further review, the bank balance has been holding steady and consistent with previous years.
- Installation Banquet will be held at Sunset Harbor and Yacht Club Friday, September 7th at 6:30. Dr. Costello will swear in new officers. There will be no continuing education credits given for this event.
- Need to review Constitution and By-Laws for updating. Erin to email Dr. Morejon CFDDA's By-Laws for comparison.
- Dr. Larkin to look into date for the 2013 Dentist Day on the Hill.
- Reminder that the CFDDA Cruise is set to sail on April 18-23, 2013.
- Leslie Fehl with Daytona State College is requesting feedback regarding the interns that have shadowed various dental offices. She will be creating a survey for convenience.
- Dr. Morejon sent an information packet to Ormond Beach's City Commissions office regarding Fluoridation and its effectiveness. Dr. Lloyd suggested contacting Bonnie Sorenson and Joann Weatherwax for more information on this issue.
- For our Staff Appreciation event, the committee was entertaining the idea of having a BBQ, or another outdoor event differing from years past. Dr. Larkin would like to consider Lucky's in Daytona Beach to host this event. Date and time to be determined.
- The outgoing officers went over their duties with the new incoming officers.

The Executive Committee meeting was adjourned at 7:16pm.

THE SEA IS CALLING
ANSWER IT ROYALLY™

Central Florida District Dental Association Annual Meeting ROYAL CARIBBEAN JEWEL OF THE SEAS

April 18-22, 2013

It's the sea calling...

You work hard. You deserve some awesome moments. So why don't you come join me for a few days? Go ahead, think what it would be like...imagine a place more beautiful than anything you have ever seen. Light dancing on my waves, the gentle sound of me puts you at ease. No rush hour, no traffic, no worries at all. Just me surrounding you as the sun sets on the horizon. How about a pina colada? A massage? Or you can rock climb...you can ice skate, or simply do nothing at all. I know, I think it's pretty cool too. The best way to answer my call? Reserve your cruise today!

What is there to enjoy in Cozumel?

White sand beaches, crystal clear water, snorkelling, scuba diving, swimming with the dolphins, Jeep safaris, Mayan ruins, duty free shopping, fantastic restaurants, Carlos and Charlie's, Senor Frogs, AND MORE . . .

Executive Practice Management Certificate Program for Dentists

Bridging the knowledge gap from clinical dentist to business owner

October 12, 2012 to October 13, 2013

8 am – 5 pm, Saturdays and Sundays

This program prepares dentists to become business owners and executive managers within their practices. The curriculum for this 13-month program focuses on the critical components of business ownership not taught within traditional DMD/DDS programs.

- Finance, Financial Management & Financial Planning
- Overall Practice Operations, Compliance & Efficiencies
- Human Resources and Staff Management
- Practice Sales, Marketing, & Systems

Description

This course is an extensive, hands-on, one-year program with monthly meetings, and supplemental online web course customized for dental practice management. With the goal of increasing dentists' business acumen and skills, this innovative program teaches dentists critical aspects of finance, operations and HR management. From buying, building or becoming an associate, to debt reduction through overhead control, and wealth accumulation for practice transitions; the program encompasses a business school curriculum customized to executive dental practice ownership.

Topics are divided into 13 modules with modules taught over one weekend per month. Instructional methods include lecture, hands-on workshops, guest lectures, and online supplemental learning between meeting dates. Dentists are actively involved in the learning process and develop applicable projects/deliverables that can be implemented into dental practices immediately. Concepts of basic accounting/bookkeeping, practice financials, employment law, social marketing, staffing, sales forecasting, dental leadership, communications, legal compliance and wealth accumulation serve as primary course content.

Goals & objectives

The program develops business skills to enable dentists to increase practice efficiencies and focus on serving patient's needs. Practices that are soundly managed by knowledgeable dental business owners create solid financial growth and sustainability allowing dentists to focus on providing affordable, high-quality care for patients.

Fred Costello FOR CONGRESS

Dear Friends,

Our country is at a crossroads. We face an assault on our Constitution, a debt crisis that could cripple our nation and unprecedented encroachment on state's rights. It's time for difficult decisions to preserve our way of life. I'm running because inaction is no longer an option and experienced leadership is needed. I know how to balance budgets while keeping taxes low. As Mayor, I led Ormond Beach to the 2nd lowest tax rate out of sixteen Volusia County cities, and balanced the budget and improved services for the community.

After serving as a Captain in the USAF, I moved to Ormond Beach in 1977 where I established my dental practice. I am honored that Ormond Beach, Volusia and Flagler County residents of District 6 have put their faith in me to serve as their City Commissioner, Mayor and State Representative.

The future of our nation depends on experienced leaders who have demonstrated they will stand up for America and don't need "on the job training." I am the only candidate who has lived in, worked in and served this area since 1977. It has been my pleasure to represent you at the local and/or state level since 1999. I am well prepared and it will be my great honor to serve you in Washington. I humbly ask for your support.

God Speed,

Fred Costello

Fred Costello has earned these Florida Legislative honors:

- American Conservative Union: 100 Conservative All-Star • Defender of Liberty
- Americans For Prosperity: A+, 100
- Florida Chamber of Commerce: A+, 100
- Florida League of Cities: Defender of Home Rule League's highest Legislative award
- Florida Right to Life PAC: A
- National Coalition for Public School Options, Florida Chapter: "Champion of School Choice"

Fred Costello has fought successfully to keep taxes low and reduce spending.

- As Mayor he led Ormond Beach to have the 2nd lowest tax rate in Volusia County.
- As State Representative he voted to balance Florida's budget by cutting \$6 billion over 2 years.
- As your Congressman he will support the Cut, Cap and Balance plan that requires a Balanced Budget Amendment.
