### Give Kids a Smile!

**Give Kids A Smile (GKAS)** is a coordinated effort by the ADA and FDA that helps local affiliated dental associations provide free screening and treatment to thousands of disadvantaged children nationwide. The publicity and organizational muscle of our parent organizations are an enormous help in getting the word out to prospective patients and getting the attention of the media and the public. Dr. Shawn McDonnel is our GKAS coordinator this year and is planning an event for **Saturday, February 6, 2010**. Volunteers needed! Please contact Dr. McDonnel at 760-0550 or [Seanymac@cfl.rr.com](mailto:Seanymac@cfl.rr.com)

General Dentistry has moved fast forward the services and value we can provide for our patients. This course is entitled: "Building Value with a Conservative/Esthetic/Oral Health Approach". The intent of the course will be to update the general dentist on every day procedures that ultimately enhance treatment outcomes. From a 1,2,3 approach to socket grafting, direct pulp capping, diagnostics to delivering the ultimate in restorative dentistry, this course will be all about case presentations and clinical methods to solve everyday issues. The premise, our patients are living into their 8th and 9th decades, our goal should be about preservation.
