**EXECUTIVE BOARD MEETING MINUTES**

The Volusia-Flagler County Dental Association Executive Committee convened at the Red Lobster on International Speedway Boulevard on November 8<sup>th</sup>, 2011 at 5:30pm.

Attendees:

Dr. David Lloyd  
Dr. Oscar Morejon  
Dr. Jason Larkin

Dr. Erik Olson  
Dr. Daniel Drake  
Erin Anderson

Dr. Robert Borer  
Dr. Roderick MacIntyre

**Dr. Lloyd discussed the following items:**

- PNC bank has everyone's signatures on file, Dr. Borer to check on transition from Bank of America.
- Treasurer's Report, considering liquidating (3) accounts into (1) interest bearing account. Dr. Borer to ask PNC Bank representative for recommendation. Option for a Visa checkcard came up for discussion, Committee agreed that Treasurer should carry card. Bud Fleuchaus requested an opportunity for Gateway Bank to represent VFDA. Erin to ask for bid.
- Domestic Abuse Council is in need of hygiene kits on monthly basis. 50 bags at \$90 per month. Dr. Larkin opted to take the month of January and Dr. Drake for February.
- Dr Robert Brown inquired about funding for Medicare patients receiving physicals for \$90. Fee would go towards physical (pre-op exam) prior to hospital admission for dental treatment. Donation of \$1500, Dr Lloyd made motion to go ahead, Dr. Olson and Dr. Borer second motion carried.
- Dr. Borer declared an idea for a Christmas tree with gifting ornaments that Dr's may take and follow through with gift. Dr. Borer to find a way to make this possible.
- Give Kids a Smile is coming up on February 3rd. Dr. Larkin was able to receive donated supply kits for 12 offices to service 50 patients each. Spoke about contacting Leslie Fehl with Daytona State College for more clinical help. Contact school counselors and Girls and Boys Club for serious candidates.
- Committee agreed that the press should be more involved, such as Mark Johnson with News-Journal, for all charity functions and events.
- Dentist Day on the Hill will be February 1<sup>st</sup> from 8am to 1pm with a briefing the day before at 5:30pm. Dr. Olson to arrange the meetings with our representatives. Dr. Morejon has the details from past Dental Days. Be sure to bring your business cards.
- Staff Appreciation meeting is on March 6<sup>th</sup>. Erin to contact Hawaiian Inn for Luau dinner details and quote.
- Discussed the voting on Holly Hill Fluoridation that just took place.
- Discussed the idea of changing venue from the Oceanside Country Club for the Installation Banquet and also the date. Discussed changing from end of year, May, to the beginning in August and consolidating party with New Member Mixer. Open to add a regular meeting with a speaker to fill in for April and May.

The Executive Committee meeting was adjourned at 7:24pm.

Erin Anderson  
Executive Secretary

A special thanks goes to **Lloyd Dentistry** for bringing the needs of the **Domestic Abuse Council, Inc. of Volusia County** to the Dental Association and for the following dental practices for supporting our shelter:

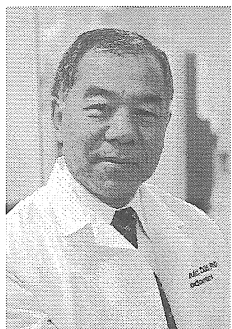

**Lloyd Dentistry, James Montgomery Family Dentistry of Port Orange, Tomoka Periodontics & Implant Dentistry, Larkin Orthodontics and Dr. Daniel Drake** for agreeing to adopt for us for one month by donating dental kits to the shelter.

At the shelter, we provide respite shelter, emergency housing or temporary lodgings for women, children and men as they try to cope with the violence in their lives. Typically people who seek refuge in the shelter have no other place to turn, so remembering to bring their toothbrush or floss is not of paramount importance. In Volusia County during the last 11 months, the shelter has admitted 177 different adults and 119 different children. These numbers do not reflect those individuals or families who have returned to the shelter during those 11 months. The numbers translate to 5,798 heads in beds at the shelter. These numbers are for our shelter alone in Volusia County. They are staggering.

Your contribution is worthwhile and appreciated. We are grateful, and we know the recipients are appreciative too.

**If you would like to join this project, please contact Erin Anderson, Volusia-Flagler County Dental Association Executive Secretary at (386)253-3629.**

## **“Ridge Preservation for Esthetics, Prosthetics and Implant Placement”**

**Seminar Presented by  
Dr. Jon B. Suzuki  
Professor, Temple University, Philadelphia, PA**

**Each year in the US, millions of teeth are extracted due to conditions such as caries, trauma and advanced periodontal disease. Extraction site grafting and ridge preservation procedures offer significant advantages to the patient and the dental practice, but many dentists still aren't taking advantage of the benefits these procedures offer to their patients.**

**Tooth extraction without concomitant socket grafting results in osseous deformities of the alveolar ridge, such as reduced height and width. This makes subsequent management of esthetics, prosthetics and implant placement very challenging. Socket grafting using bone grafts significantly reduces bone loss, maintains ridge dimensions and enhances esthetics and function.**

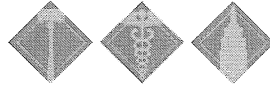

**This seminar will provide an understanding of site development principles and bone grafting protocols leading to an optimal foundation for esthetics, prosthetics and implant success.**

### **Course Objectives:**

- **Know the principles of successful hard tissue augmentation**
- **Learn the steps of extraction socket grafting and ridge preservation**
- **Learn the instrumentation for successful surgical bone augmentation**
- **Select appropriate bone graft materials**

Understanding Legal Tools: A Down to Earth Guide to Lawsuit Protection,  
Prevention and Tax Reduction

**Tuesday January 3, 2012**

**6:45pm-8:15pm**

**At the Daytona International Speedway**

**1801 W. International Speedway Blvd. Daytona Beach, FL 32114**

**In the Bill France Room**

Please join us for an evening that you cannot afford to miss! Today, successful professionals are faced with many challenges, especially financial challenges. Heavy tax burdens as well as legal assaults by trial attorneys are some of the most dangerous and time consuming battles fought by today's professionals. We will be discussing, in a down to earth manner, proper legal structuring for a dental practice and how it will ease the burden of taxes as well as protect your personal as well as professional assets from any lawsuit.

We look forward to spending the evening with your society and teaching you how to legally keep what you have worked hard to earn.

## Introducing the Laser-Lok® 3.0 implant

Laser-Lok 3.0 is the first 3mm implant that incorporates Laser-Lok technology to create a biologic seal and maintain crestal bone on the implant collar<sup>1</sup>. Designed specifically for limited spaces in the esthetic zone, the Laser-Lok 3.0 comes with a broad array of prosthetic options making it the perfect choice for high profile cases.

- Two-piece 3mm design offers restorative flexibility in narrow spaces
- Implant design is more than 20% stronger than competitor implant<sup>2</sup>
- 3mm threadform shown to be effective when immediately loaded<sup>3</sup>
- Laser-Lok microchannels create a physical connective tissue attachment (unlike Sharpey fibers)<sup>4</sup>
