## Report CE, the Easy Way!

Everything You Need to Know About Reporting CE

---

Hello,  
Educational providers approved directly by your Board are required to report your continuing education to CE Broker and usually post within 14 days of the course completion. It cannot get any easier than that! However, there may be special circumstances when you might need to report continuing education yourself.

Our goal is to simplify your continuing education process. Nobody wants to spend their precious time on a confusing website. Take these simple steps to begin reporting:

1. Log in to [your account](#) and select Report.
2. Follow the reporting flow, entering information as prompted until you reach the confirmation page.

For the ultimate guide to reporting, watch our "How To: Report CE" video below.
